FALL 2023

THE TRI-ANNUAL NEWSLETTER OF THE GROSSE POINTE PUBLIC LIBRARY

## From the Director, Jessica Keyser

### Authors to the Pointe

Fall brings much excitement to the GPPL, including the return of our signature fall author event, Authors to the Pointe. We are thrilled to welcome authors Anthony Doerr and Angeline Boulley to Grosse Pointe this year. Doerr's runaway New York Times bestseller *All the Light We Cannot See* won the Pulitzer Prize for Fiction and the Carnegie Medal for Excellence in Fiction and was a finalist for the National Book Award. Doerr's latest book, *Cloud Cuckoo Land*, was a finalist for the National Book Award in 2021 and for the Dayton Literary Peace Prize in 2022 and named a top book by many outlets including The New York Times, Entertainment Weekly, NPR and TIME.

Angeline Boulley, an enrolled member of the Sault Ste. Marie Tribe of Chippewa Indians, is a storyteller who writes about her Ojibwe community in Michigan's Upper Peninsula. She is a former Director of the Office of Indian Education at the U.S. Department of Education. *Firekeeper's Daughter* is her debut novel and was an instant #1 NYT Bestseller. The book has been named the Walter Dean Myers Award for Outstanding Children's Literature, the Printz Award, the William C. Morris award for YA debut literature, and was an American Indian Youth Literature Award Honor Book.

Thank you to the Friends of the Grosse Pointe Public Library for your support of this event.

### Back to School Resources

Fall has us thinking about back-to-school. The Library has a wealth of free resources for learners of all ages. Some of our most popular databases are:

- Britannica School
- WorldBook Early Learning
- Brainfuse
- Mango Languages
- Learning Express Library
- MeL eResources for School

The most valuable resource of all is the professional library staff standing by to help you. Reaching a librarian is easier than ever. You can chat with us live on our website, call the library, or visit us seven days a week during the school year. Let us be your partner in your journey of lifelong learning.

### Ode to the Annex

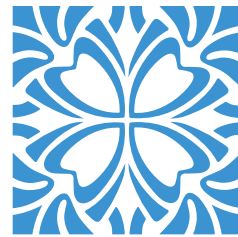

At the writing of this newsletter, we are preparing to move out of the Central Annex, our temporary branch on the Hill. Departing the Annex is bittersweet. We are all so excited to return to "Big Central," as we've come to refer to the Central library, but we've treasured the time we've spent at the Annex. We enjoyed seeing many of our regular patrons in a new setting, and meeting some new friends who discovered us while we were there. We owe a huge debt of gratitude to the Friends of the Grosse Pointe Library and property owner Ed Russell for providing us with the funds and the beautiful space to serve as our temporary location. This has truly been a remarkable chapter in the history of the Grosse Pointe Public Library, and we will treasure the memories for a lifetime.

Wednesday, September 27, 7 p.m.,  
Grosse Pointe Historical Society History Center,  
375 Kercheval Ave

Jean Baptiste and Catherine Vernier played a pivotal role in the history of the Vernier family. Having arrived in Grosse Pointe around 1790, not only did they establish a life for themselves they also laid the foundation for the family to become important members of the community for centuries to come. Catherine Vernier passed away in August 1831, she has possibly the oldest gravestone in St Paul's Cemetery. Jean Baptiste passed shortly after in 1834. This year the original headstones were repaired and relocated. Expertly carved replacement headstones were then placed in the cemetery, thus concluding a three-year project to mark their final resting place.

Presented by Katie Doelle and Jim Verney, a descendent of the Vernier family.
