THE TRI-ANNUAL NEWSLETTER OF THE GROSSE POINTE PUBLIC LIBRARY

SPRING 2025

From the Director, Jessica Keyser

Retirement of Kathy Gaughan

Circulation Specialist Kathy Gaughan retired in April. Kathy started as the Children's Librarian at the Park Branch of GPPL in 1980. After five years, she moved to the Grosse Pointe Public School System to be a Media Specialist. We were lucky to have Kathy back for the last several years as a member of our circulation team, where she was beloved by co-workers and patrons alike for her friendly, upbeat personality and unwavering service ethic. We wish you all the best on your next adventure, Kathy.

New Teen Librarian

I am very excited to announce our new Teen Librarian is our very own Charlotte Tito. Charlotte started with the GPPL in 2023 as a part-time Reference Librarian. Charlotte brings a wealth of experience in education and library services to teens. She has already hit the ground running with lots of fun and engaging programs for our teen patrons. Please join me in welcoming Charlotte to her new role.

Glenn Michaels Donation

A three-piece mosaic by renowned Michigan sculptor and painter Glen Michaels (1927 -2020) was recently installed on the second floor of the Woods branch. The art was donated by Kevin Simon in honor of his beloved parents George and Penny Simon.

Michaels' work can be seen in many private and public collections in the Metro Detroit area and beyond. His public commissions include the Detroit People Mover system; the NASA Goddard Space Flight Center and Ford Motor Company's pavilion at the 1964 New York World's Fair. We are thrilled to receive this wonderful donation, which will surely enhance the experience of many visitors to the Woods branch.

Bring your imagination to life this summer with the Library's Summer Reading Program: Color Our World

This summer, readers of all ages are invited to explore new stories, earn prizes, and take part in a vibrant line-up of events designed to inspire and engage. The "Color Our World" theme celebrates creativity and self-expression through books, crafts, music and community activities.

Did you know that students can lose up to two months of reading skills over the summer? The "summer slide" can make starting a new school year more challenging. With just 15-20 minutes of reading a day can help kids maintain and even improve their literacy skills during the break.

Our Summer Reading Program is designed not only to be fun but also to support learning and help prevent summer learning loss. With age-appropriate challenges, engaging activities and access to thousands of books, your child can keep their brain active while having a blast. Read on for more details about the wonderful line-up of events we have planned this summer.

DIA Inside Out at the GPPL

We are thrilled to participate in the Detroit Institute of Arts Inside Out program this summer. Inside Out brings high-quality reproductions of the DIA's collection to outdoor venues throughout metro Detroit to increase engagement between the museum and its diverse audience. Central will host a reproduction of "Dancers in the Green Room" by Edgar Degas; at Ewald, "Bank of the Oise at Auvers" by Vincent Van Gogh will be on display; and at Woods, we will have "The Window" by Henri Matisse. Special thanks to the Grosse Pointe Chamber for bringing Inside Out to Grosse Pointe.

The Friends of the GPPL is proud to support library events including the ever-popular Books on the Lake author event on May 10 and the Youth Summer Reading program that kicks off on June 1. On April 12, the bi-annual Friends Books and Bags Sale took place. This great event allows shoppers to find the perfect purse and perfect read, while supporting library programming. Coming up on July 3, the library and Friends are co-hosting the quarterly Silent Book Club (summer edition). The Silent Book Club is a great way to enjoy quiet reading time and socialization with fellow readers at the same event. Please join us. All books, DVDs, CDs and puzzles are just \$1.00. Patrons can also shop our \$5 Bag Sales on the last Saturday of each month in the Friends storage area in the lower level of the Woods Branch from 10 a.m. – 1 p.m. For \$5 we provide you with a grocery-size bag that you can fill with books, puzzles, DVDs and CDs. Friends' members can start shopping at 9:30am. The stock is always changing, so shop often.
