FALL 2017

THE TRI-ANNUAL NEWSLETTER OF THE GROSSE POINTE PUBLIC LIBRARY

Library of the **FUTURE!**

At the beginning of 2017, I reported that we were hard at work creating a five-year strategic plan for the Grosse Pointe Public Library. I am pleased to announce that the plan is complete, and was unanimously approved by the Board of Trustees on June 27th. The planning process was an opportunity for us to evaluate everything we do, and envision the Library of the Future. In the planning process, we identified our core values as an organization, which include service, access to resources, intellectual curiosity, innovation, respect, and inclusion. From those core values, we adopted a new mission statement: To expand learning, inspire creativity, and connect our community.

The planning process included all of our regular full and part-time staff, the Board of Trustees, the Library Foundation, Friends, and key community stakeholders. We held four focus groups and conducted a community-wide survey. We truly did our best to hear from as many voices as possible. From the feedback we received, we identified our goals for the future. By the time you read this newsletter, we will already be rolling out some new services and resources. Hopefully, you will notice that we are out in the community more than ever, bringing the Library to the parks and special events.

We will be launching new digital services and are hard at work redesigning our website to make it easier than ever to use the Library anytime, anywhere! As we bring these new services to you, we are mindful of maintaining and enhancing the things that you've told us you love about the Library. The full plan is available on our website. Thank you to everyone who contributed to the plan. We will of course continue to receive feedback from the community, and my door is always open!

Hope to see you soon at the Library!

Library Website Redesign Underway!

As technology changes, especially regarding mobile access to the GPPL's collections and services, we have noticed that our site has become difficult to navigate. Our Website Committee has selected and will be working closely with Addis Enterprises (AE) to create an intuitive and user-friendly interface for our online presence. The new site should launch sometime this November!

NEWS OF THE WORLD

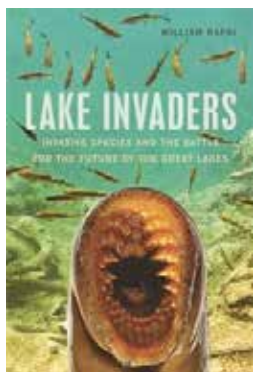

by Paulette Jiles

12th and Clairmount

Tuesday, September 19, 7 p.m.
Grosse Pointe War Memorial, 32 Lakeshore Drive

Metro Detroiters' home movie footage provides the heart of this documentary looking back at the cause, duration, and aftermath of the 1967 Detroit riot/rebellion. Those five days in July were among the most pivotal — and divisive — in the city's history, with the turmoil leaving 43 dead. While the impending 50th anniversary of the summer of '67 was the impetus for the film, the found footage in *12th and Clairmount* captures a wide spectrum of Detroit life, from proud streetscapes to dance parties to neighborhood sporting events. Drawing from more than 400 reels of home movies from the era, other unearthed footage, and newly recorded oral history, the documentary was produced by the *Detroit Free Press* in collaboration with *Bridge Magazine*, WXYZ-TV and a group of metro Detroit cultural institutions, led by the Detroit Institute of Arts.

Documentary is 75 min. A Q & A session will follow the program. **Program is free of charge. Please register online at www.gp.lib.mi.us or call 313.343.2074 (Central) / 313.821.8830 (Ewald) / 313.343.2072 (Woods).**

LAKE INVADERS: Invasive Species and the Battle for the Future of the Great Lakes

Tuesday, September 26
7:30 p.m., Ewald Branch

Local author William Rapai will present his book on invasive species in the Great Lakes. A handful of these, including the sea lamprey, alewife, round goby and zebra mussel have conducted an all-out assault on the Great Lakes and are winning the battle. Rapai will discuss their impact and explore educational efforts and policies designed to prevent new introductions into the Great Lakes. **Program is free of charge but seating is limited. Please register online at www.gp.lib.mi.us or call 313.821.8830.**

An Evening with STEPHEN MACK JONES

The main character is a former Detroit police officer who was fired from the force for whistle-blowing on the Mayor and others. Then she turns up dead. A fast-paced, highly-acclaimed thriller. **Program is free of charge, but seating is limited. Please register online at www.gp.lib.mi.us or call 313.821.8830.**

The Leisure Seeker with Author MICHAEL ZADOORIAN

Thursday, November 16, 7:30 p.m., Ewald Branch

Michigan author Michael Zadoorian's novel *The Leisure Seeker* met with stellar reviews and popular success when published in 2009. The bittersweet tale of aging Ella and John Robina, who take off in their Leisure Seeker RV for one last adventure has now been made into a film. Starring Helen Mirren and Donald Sutherland, the movie is due in theaters this holiday season. Thank You! For Helping Those in Need

IT'S OFFICIAL: The Animals Rule in Grosse Pointe!

The collection drive we hosted last spring netted so much for our fine furry and feathered friends, it covered a six-foot banquet table, three feet high and included cash donations and a very sizable check! GPAAS said it was "like Christmas is June" and sends their very heartfelt thanks to the Library community!

Over the summer we hosted a very successful school supplies drive for the Grosse Pointe Rotary, collecting three full containers of much-needed items for Northeast Guidance Center, which serves several schools in Detroit. What a thrill to see such a community outpouring of support!

SEPTEMBER Join GPPL Gives Back this September as we collect wish list items for local tutoring organization, 826michigan (located inside the Detroit Robot Factory in Eastern Market). 826michigan inspires school-aged students to write confidently and skillfully by providing drop-in tutoring, field trips, after-school workshops, in-schools tutoring, help for English language learners, and assistance with student publications. Collection containers will be located in all three branches of the Library.
