Winter 2019

THE TRI-ANNUAL NEWSLETTER OF THE GROSSE POINTE PUBLIC LIBRARY

**From the Director,
Jessica Keyser**

Library Millage Renewed

It is with heartfelt gratitude that I thank the community for approving the renewal of the Library's millage for an additional eight years, through 2027. We were thrilled to learn that over 74 percent of the voters said "yes" to the millage renewal. These results tell us that the Grosse Pointe community loves your library, and we will work our hardest to show you, the voters, that you made the right decision to support the Library.

The millage will continue to fund all aspects of library operations, including staff who provide friendly, caring customer service every day. In addition, the millage funds the acquisition of materials and resources to meet the evolving needs and interests of our patrons, and relevant and engaging programming for all ages.

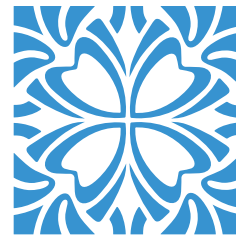

With our funding secure, we will continue to move forward to achieve the goals of the Library's strategic plan, including the launch of a brand new web site in December, and a refreshed logo. We're also very happy to be able to expand our hours. All of our branches are now open at 9 a.m. Monday through Saturday and our Ewald Branch is now open on Sunday from 1 to 5 p.m. In addition, we're no longer charging a fee to check out any DVDs or Blu-Rays. As the Library's digital offerings expand, the Library web site will serve as your "digital branch," connecting you to a myriad of curated services and experiences. With the new site, users will now be able to apply for a Library card online and start taking advantage of cardholder benefits right away. We hope you love the design and content of the new web site, and you find everything you're looking for and more, at the Library!
